ABOUT NOVA INTERIOR STUDIO

Interiors Designed to Feel Like You

At **Nova Interior Studio,** we believe great interiors are more than beautiful surfaces. They are carefully planned spaces that make everyday living more comfortable, organised and inspiring.

Our approach combines:

- Personalized interior design
- Intelligent space planning
- Premium material selection
- Bespoke furniture solutions
- Precision manufacturing
- Professional installation
- Turnkey project execution

From a single custom wardrobe to a complete home interior, every project is developed around the client's requirements, available space and design vision.

Our Design Philosophy

Understand → Design → Visualize → Build → Install → Deliver

Every detail is considered before execution so that the final space feels cohesive, functional and refined.

Local Expertise. Personalized Execution.

Whether you are designing:

- A Chandigarh apartment
- A Mohali villa
- A Panchkula residence
- A luxury bedroom
- A complete home
- An office or commercial space

Nova develops the interior around the architecture, lifestyle and requirements of the project.

PROJECT SPECIFICATIONS

Built Around Your Requirements

Every project should have a documented specification covering:

Design

- Approved drawings
- 3D views
- Dimensions
- Elevations
- Material schedule

Production

- Cutting dimensions
- Edge treatment
- CNC details
- Assembly requirements
- Quality checks

Materials
